Worship Choir at present 'Alleluia'

On Sunday, Sept. 11 at 7 p.m., the Carlisle Christian Church will be featuring the Worship Choir of Broadway Christian Church, Lexington as they present the musical program "Alleluia". The program is presented by 40 members of Broadway's adult choir and features the music of Bill and Orlan Gaither. "Alleluia" contains inspirational music and personal testimony. The Gaithers have substituted the program "A Praise Gathering for Believers".

The Worship Choir has presented "Alleluia" at various local churches. It was first presented at Broadway on April 20 and May 1 of this year. Since that time, they have shared the gain knowledge in planting, harvesting, and all other jobs needed to be done to raise a tobacco crop. All AG classes are involved in these operations. Money from the crop goes into the FFA fund and the Vocational Agriculture fund which is used to purchase equipment, supplies, and award programs needed by the AG department. Brumagen says the students will probably begin hoisting the school crop this week, weather permitting. The boys will divide a part of their class time who will be working after school.

The varsity football team at Nicholas County High consists of 64 players. The smallest is 5 feet, 110 pounds, and the largest is 6 feet, 3 inches, 190 pounds. This promises to be one of the best, but not the best, years Nicholas has ever had. The first game of the season was with Richmond-Madison, Aug. 28 which they thoroughly handled. The outcome was, Nicholas 28, Richmond 0.

## IF MONEY GREW ON TREES

NO ONE COULD KEEP HIS FEET ON THE GROUND

**THE SPIDER**

During Mark Twain's days as a newspaperman, he was editor of a small Missouri paper. One day he received a letter from a subscriber stating that he had found a spider in his paper, and asked if this was an omen of good or bad luck.  
Twain replied: "Finding a spider in your paper is neither good nor bad luck. The spider was merely looking over our paper, to see what merchant was not advertising so we could get to that store, spin his web across the door, and lend a little of undisturbed peace over afterward."

The Carlisle Mercury will keep the spider away from your door
