What-cha trying to do to me Daddy-O!

As anyone can plainly see Daddy had a willing subject, but gosh you didn't have to make a monkey of me, all those crazy zoom shots. Well Daddy was trying to show his Dad how to use a new lens for zoom-ZOOM pictures, and Brian Christopher Elder was more than willing to hold still as long as he was the center of attention. — Photos by John T. Elder, Edgwood, Ky.
