Forestry Division has tree seedlings

The tree planting program in Eastern Kentucky is underway. The Kentucky Division of Forestry will supply seedlings at a very low price to landowners interested in planting trees.

Order blanks will be supplied to landowners upon request and orders for trees may be placed with anyone employed by the Division of Forestry.

The main purpose of reforestation is to bring into productivity land that cannot be used for any other purpose. Odd corners about the farm become productive when planted in trees.

Order blanks will be supplied to landowners upon request and orders for trees may be placed with anyone employed by the Division of Forestry.

Order blanks will be supplied to landowners upon request and orders for trees may be placed with anyone employed by the Division of Forestry.
