# Mrs. S.M. DeMyer is guest speaker at Garden Club

The Carlisle Garden Club met Monday, Sept. 18, in the club room at the Library. Mrs. Roseanna Wilson, president, assisted by Miss Mary Lois Campbell, secretary, and Mrs. W. J. Clark, treasurer, conducted the business session. Mrs. Wilmer Halcomb gave the Spiritual Values. Mrs. Ray Flora and Mrs. Nelson Hillcock furnished the flower arrangements.

Mrs. Wilson presented Mrs. S. M. DeMyer, who had charge of the program. Her subject was "The Endangered Species of Birds and Animals," using posters and pictures to illustrate her talk.

Mrs. DeMyer stated that 100 species of Wild Life are in immediate danger of extinction.

The Endangered Species Act was passed in 1973 protecting the eagle, whooping crane, and others that are endangered. To survive they must have suitable habitat-cover, food and water. Man through industrialization, slaying of forests, and pesticides has altered all this, until "Wildlife has no place to go."

Mrs. DeMyer urged members to prepare to feed birds this winter. Her subjects were "The Endangered Species of Birds and Animals" and "The Endangered Species of Plants."

The October meeting has been moved from the 18th to the 23rd.
