## Greenbriar joins Angus program

Greenbriar Farms, Carlisle, Angus cattle breeders recently enrolled in herd in the Angus Herd Improvement Records program of the American Angus Association, reports Dr. C.K. Allen, executive vice-president of the national organization with headquarters in St. Joseph, Missouri.  
 Angus Herd Improvement Records (AHIR) is a comprehensive written evaluation program used by cattlemen to help them keep records of reproduction, and growth rate on individual animals. Each year hundreds of Angus breeders use AHIR records to produce more profitable, efficient Angus seedstock.
