Sweetheart  
I thought that you might like to know  
That someone's thoughts go where you go.  
That someone never will forget.  
The time we've spent since first we met.  
That life is sweeter, richer by far,  
For such a sweetheart as you are.  
And that now, my constant prayer will be,  
That God shall keep you safe for me.
