This was the largest blood drive to date in the county. We hope that this interest will be sustained throughout the remainder of the year and that we can continue to have equal success at the rest of the blood drives.

Finally, I would like to thank you and The Mercury for your continued coverage and support of the program. It has done much to inform the residents of this area as to the critical need for their participation.

Sincerely,

Sports Watch

Spring sports start

Spring sports start

Spring sports started this week at Nicholas County High School with Billy K. Anderson's baseball nine beginning a 27-game schedule Monday against Bath County and Ben Pumphrey's track team starting a schedule that will culminate in NCHS hosting the Class A and AA Region meets May 11-12.

Winners of that meet, both individual and team, will compete in the state meet at the UK field the next week. It should be a big weekend for sports in Carlisle.

Complete schedules for both sports and the golf team will appear in next week's Mercury, along with next fall's football schedule. Meanwhile, here's a schedule that will keep you up-to-date until next Thursday:

Baseball — March 30, Franklin County, away; March 31, Rowan County, away (doubleheader starts at noon); April 3, Mason County, home; April 4, Clark County, home. Unless noted, games start at 4:30 p.m.

Track — March 28, Bath and Harrison at Bath, boys and girls; March 29, practice meet with Morgan County, home, boys and girls; April 3, Mason County, home, boys and girls; April 4, Paris, home, boys and girls.

Turns pro

There's another team at the high school that doesn't get as much attention as the others but that doesn't mean they're not in there trying. A ball game without a band is like a french fry without ketchup and the Bluejacket band lends a lot of support to the teams.

Anyway, the band is turning "pro", in a manner of speaking and is cutting a record. Our sources say a couple of tunes have already been taped but we won't reveal them. The band is taking orders now and more on that is expected later.

NCAA's

The Magic Show closed, the Bird landed and college basketball's version of the fat lady sang Monday night as the Michigan State Spartans beat Larry Bird and his Indiana State Sycamore teammates 75-64 to win the crown Kentucky wore at this time last year.

It was the Spartans' first championship and the big question now is whether or not Earvin "Magic" Johnson will leave MSU for the pros.

Not that the Spartans have a lock on a repeat title, even with the Magic Man. College basketball is getting so even it's scary, with the Big Ten looking like a monster this year capturing both the NIT and the NCAA titles.

Look for Johnson to play at least one more year, then the 1980 Olympics, then make his decision. The question, as Howard Cosell would say, is academic since Johnson seems to have the tools to step into a pro slot overnight. Maybe with UK fans dream of a matchup between Johnson and Dwight Anderson. Magic is bigger they say, but the Blur is quicker. Like the Incredible Hulk versus the Flash? Stay tuned.

Help The Chapel Fund Drive

"We must have quiet times in quiet places if we are to know God is with us as we live our lives in Carlisle."

The Nicholas County Ministerial Association Chapel Fund now contains a little over $6,000.00 toward their goal of $10,000.00 that they are raising to erect a new chapel at the new hospital-nursing home complex. Thus far the response has been good but we are still short of the amount of funds needed to complete the project. Construction of the interdenominational chapel is expected to begin in the next couple of weeks.

If you would like to make a contribution toward the building of the chapel, simply clip out the form below and mail it in with your contribution to:
