Take it off.

You can take off these extra pounds that don't improve your health as well as your looks.

Have one simple tip for taking off pounds successfully. Not a reasonable goal. Just a pound or two a week is the best to lose and for maintaining a healthy diet.

Get down on calories. Eat slowly. Wash food full on low. Exercise regularly, to help burn up calories and tone back tissue. Don't eat excessive or weight control club for weight support.

By shedding extra pounds, you'll look better and decrease your risk of serious illness. The challenge and satisfaction of losing weight is the best of all health care—and the best experience. You can help by taking care of your health.

All Blue Cross and Blue Shield and Delta Dental of Kentucky, are concerned about your health care costs. That's why we're working with consumers, doctors, physicians and hospitals to find ways to hold costs down.

Write us for information on enrolling in quality health care programs. For a free booklet on the new diet and exercise or "Food & Fitness Booklet" of the following address: Blue Cross and Blue Shield and Delta Dental of Kentucky, 1911 East Southern Avenue, Louisville, KY 40221.

We want you to stay healthy.
