About our energy

By Louis E. Strong
Kentucky Association of Electric Cooperatives
This last week I watched the program, '25 Years of American Television'...

Who Determines The Kind Of News And Information We Receive?
I suppose the most of the information that Americans receive on which they base their judgments and choices comes from T.V., radio and newspapers. If you work in an industry, some of the information probably comes from a variety of publications and meetings.

How Do We Decide?
If the American public believes that gasoline and electric prices are going up and gas-and we must shift to higher priced alternatives...

'Whoever he is - he just turned down our thermostat!'

Combs wins in Nicholas; Friday rain breaks drought

Thursday, November 5, 1959
Nicholas County's 21st biennial Democratic candidate for governor, Bert T. Combs, will receive 57.5 percent of the Republican candidate, John M. Hobson...

Letters

Editor, The Carlisle Mercury:
I have read with interest the article in the November 5 issue of the Mercury regarding the blood drive...

Editor's notes
The Carlisle Mercury has had a busy week. In the past few weeks we have had a number of articles published...

Laugh out
'It's what is a politician?'
'Son, a politician is a human being with a wage-gone tongue,' replied the father.
