Bible students helping deal 'hear' sermons

Carlisle is experiencing a "first." Communications Unlimited, a group of college students dedicated to teaching and communicating with deaf persons, has become a regular part of the Sunday services at Carlisle Christian Church.

Students from Cincinnati Bible College travel to Carlisle each weekend and participate in services, by use of sign language, for those of the surrounding area who cannot hear. This program is the first of its nature to be offered in Nicholas County.

The song service, sermons and announcements are interpreted at the three regular Sunday services by the students, who are studying hearing education at CINC.

President of Communications Unlimited, Sherry Correll, expressed a hope that a class for the teaching of the silent alphabet and sign language may be available in Carlisle after the first of the year.

Local students participating in this program are Wendell McKee and Pat Taylor. Both are students at Cincinnati Bible College.

VFW Auxiliary has meeting

The Lloyd George #866 Ladies Auxiliary held their monthly meeting Nov. 15.

They discussed sending \$25.00 to the V.F.W. National Home, Health, Happiness, \$25.00 to National Christmas, \$25.00 to patients at the VA Hospital, and \$5.00 for Christmas Seals also visiting the Nursing Home before Christmas.

We want to wish a speedy recovery to our President, Ruby Rütche, and 100th District President, Neil Snapp.

The next meeting will be Dec. 10 with a polka Christmas dinner.

WIC program taking applicants

WIC, the supplemental food program for women, infants, and children, is now accepting applications.

This program is designed to meet the nutritional needs of women who are pregnant, breast-feeding or post partum, and infants and children up to 5 years of age.

To apply, call the Nicholas County Health Department on Tuesdays for an appointment.

THE CARING CORNER

1 Thessalonians 5:18 "In everything give thanks, for this is the will of God in Christ Jesus concerning you."

Will your child's Thanksgiving prayer sound like this: Thank you God for not letting Mom find the chocolate wrappers in my pocket. I'm glad I was able to have all the candy bars I could eat at Bill's today. Oh, and I almost forgot, thank you for not letting Dad miss the book of matches I took off his workbench. Am.

We often get sidetracked on our gratitude because we have a superficial idea of what it means to be grateful. Rather than emphasizing material sources which could harm our relationship to God, Christ teaches that genuine prosperity begins in the heart. Are we thankful for the love in our family, the hope we have for the future, or the love that Christ gives to each of us?

Remember, it's not what's in our pocket that makes us thankful, but what's in our heart.

Join us this Sunday in caring.
