Jackets fall to Beechwood Tigers

By Kay Conley

Fate had a disastrous finger pointed at the Nicholas County Bluejackets last Friday night when the Beechwood Tigers went home with a 34-6 victory.

No matter what feats the Jackets displayed fate, and Beechwood, seemed to counteract them. The Tigers scored mid-way through the first quarter with a six-yard run by David Krohman. The kick for an extra point was good. An intercepted pass by Beechwood set the pace for another touchdown. The quarter ended 7-6 with the Tigers on the Nicholas 20-yard line.

Beechwood's Bailie Morlidge scored a four-yard touchdown a few minutes after the start of the second quarter. Nicholas wasn't going to "give in" as they too scored. The touchdown was a 13-yard screen pass from Mike Sowell to Mike Hatton. An attempt for the two-point conversion proved faulty. Fate lacked total control of the Bluejackets as they proved late in the quarter. Beechwood returned a Bluejacket punt back to their own 39-yard line. The Tigers worked hard against the positioned Jacket defense but they simply couldn't make it as slowly time ran out. Finally, Beechwood attempted a field goal which proved unsuccessful, ending the half 14-6.

Beechwood maintained their advantage and in addition scored three more T.D.'s in the third quarter. Their first was a five-yard score with the clock reading 5:20. Morlidge's extra point kick was successful. Nicholas showed that they still had determination when Pat Letcher, after recovering from his punt being blocked, made a tackle on the Nicholas 28-yard line. This wasn't enough as Beechwood succeeded in scoring again a few plays later. Morlidge's four-yard run followed by his successful extra point kick gave the Tigers quite a large lead. With only 48 seconds remaining in the quarter the Tigers scored their final touchdown. The score was a 39-yard run by Morlidge a few plays following the Jackets loss of the ball on downs. The extra point failed ending the quarter 34-6 in favor of Beechwood.

Beechwood finalized their victory in the fourth quarter, but, not before Nicholas contributed a few "tricks" of their own. Sowell's completed eight-yard pass to Todd Allison, who was one major factor of Nicholas County's offense, aided the Jackets in obtaining a first down and sharp-eyed Letcher recovered a fumble on Beechwood's 17-yard line. The game ended, however, unconcerned with the Jacket's attempts, 34-6.

Fate. A small word with an enormous meaning. A meaning that proves the difference between winning and losing. Beechwood had that "fate" on their side.

Todd Allison led the Bluejacket offense carrying the ball 15 times for 88 yards. David McGuffey followed carrying nine times for 30 yards, Tommy Biddle carried seven times for 18 yards, and Mike Sowell carried two times for three yards.

Sowell also threw 10 passes for 52 yards. Mike Hatton received three passes for 39 yards and Barry Bretz received one for five yards. Pat Letcher punted twice for 63 yards.

Mark Taylor was Nicholas County's derfensive leader with 17 tackles. Steve Davis was next with 14, Pat Letcher had 12, David Tubbs had 11, Mike Mattox had eight, Mark Vice had six, Mike Boykin had five, Jackie Wells and Wilmer Halcomb had four each, Steve Anderson, Todd Allison, and Mike Webb had three each, and Jimmy Dale had two.

Nicholas will host Hazard this Friday night at 8 p.m.

International eats

The Nicholas County High School Future Homemakers of America started their new year last week with an international buffet for freshmen and old members. In charge of the program (bottom photo) were, from left, Sherry Pryor, Peggy Stewart, Shari Ramey and Angie Wilson. —Photos submitted.

NCHS FHA serves international buffet

By Donna Hughes

FHA'ers had a taste of the rest of the world last Friday, October 14. The FHA held their first chapter meeting. After a short business session the freshmen and members were served a variety of international treats. While they were eating they could also enjoy an international display.

Sherry Pryor, Peggy Stewart, Shari Ramey, and Angie Wilson were the members who planned and prepared the buffet. The buffet consisted of chow mein noodles, timbales, crepes with a strawberry filling and banana fritters. Punch was also served. Approximately 80 girls were present.

Sheriff reports two stolen cars

Sheriff J.W. Ecton, Jr. spent a busy weekend checking out stolen cars, including one that he found before it was reported stolen.

At 5 a.m. Friday Sheriff Ecton was called to Jeff Morgan's farm at Blue Licks where a late-model Cadillac registered to Larry Terrell from Paris was burning.

The car was completely destroyed by the blaze and Ecton reported the registration to both Kentucky State Police and Paris city police but no report of its being stolen was on file.

Ahead 3 p.m. that same day a report was received from Paris police stating that the car was indeed stolen. Terrell came down and identified it, then arranged for a wrecker to pull it away. Investigation is still continuing into the theft.

On Sunday at 6 a.m. Ecton was call to Sexton's Trailer Park where a 1977 Ford Thunderbird registered to Kathy Hord was reported missing.

Residents of the trailer park were questioned but no one reported seeing or hearing anything concerning the theft.

It was estimated the car was stolen sometime between 11:30 p.m. Saturday and 4 a.m. Sunday.

5.2 Million Youth To Observe National 4-H Week Oct. 7-13

4-H'ers map their way to tree-wheeling adventure in the great outdoors. Young people 9-19 combine cycling fun with safety in two popular 4-H projects, the national 4-H bicycle program, supported by The Goodyear Tire & Rubber Company, and the safety program, sponsored by The General Motors Foundation.

From RFD 1 to 77th Street, more than 5.2 million young people throughout are observing National 4-H Week Oct. 7-13.

Whatever their "address," 4-H members in the United States, Puerto Rico, the Virgin Islands and Guam are taking part in special activities that focus attention on the values of 4-H, the nation's largest youth-serving program.

The National 4-H Week theme, "Expanding Horizons," challenges 4-H'ers everywhere to "seek new knowledge, acquire life skills and build on personal strengths. It calls on members to strengthen their citizenship and leadership abilities and to "assume positive roles in a free democratic society."

Boys and girls 9-19 participate in 4-H through organized clubs, special interest groups, short-term projects, camping, television series, and programs planned to meet their specific needs in the communities where they live.

Twenty-three percent of 4-H members now reside in suburbs of cities, or in central cities, of more than 50,000 population; 21 percent live on farms, 40 percent in small towns or open country, and 16 percent in towns and cities of 10,000-50,000.

4-H is the youth education program of the Cooperative Extension Service, and is conducted jointly by the U.S. Department of Agriculture, the land-grant universities, and state and local governments.

"4-H Expanding Horizons" is the theme of National 4-H Week, Oct. 7-13. A three-dimensional poster illustrating the theme is based on a design by 4-H member Andrea Charameda, 10, of Marshall, Mich.

$80,000 adults and teens active as volunteer 4-H Leaders at the local level.

4-H projects and activities encourage young people to learn and apply real-life skills and to become competent, productive citizens.

Around the world, 82 countries have youth education programs similar to 4-H.

UK vs. Indiana Saturday on TV

A seething band of Kentucky Wildcats, stung by a controversial clipping call that cost them a 15-14 decision in their opening game against Miami (Ohio) Saturday in Commonwealth Stadium, travel to Bloomington this weekend to meet an Indiana team that routed Vanderbilt, 44-13, Saturday at Nashville.

The Hoosiers of Lee Corso opened the season two weeks ago with a thrilling come-from-behind victory over Iowa at Iowa City and now have a chance to become the first Indiana team since 1967 to win their first three games.

That 1967 Rose Bowl team opened with a 12-10 victory over Charlie Bradshaw's Wildcats and then won seven games in a row before losing to Minnesota. The Hoosiers then defeated Purdue and lost to Southern California, 14-3, at Pasadena for a 9-2 record.

Indiana won the next four games before losing the last encounter to the Wildcats, 28-22, in 1974. The series stands 9-3-1 in favor of Indiana.

Fran Curci's youthful Wildcats, trailing Miami, 15-14, with :59 seconds remaining, marched the length of the field, with Chris Jones crossing the goal line on a 14-yard run that was nullified by an official's flag on the two-yard-line.

After viewing game films of the call against tight end Jim Campbell, accused of clipping Miami defensive back Alvin Hall, Curci said there was no evidence whatsoever of a clip. He also questioned an earlier pass interference call against UK defender Greg Motley that kept alive a Miami scoring drive.

Although the Wildcat passing attack was erratic until the final drive, UK runners Shawn Donigan (20 rushes for 82 yards) and Chris Jones (15 for 72) showed great promise as the team carried 54 times for 209 yards.

In the first start of his career, Shutt rushed 16 times for 44 yards and completed six of 13 passes for 69 yards. He scored both UK touchdowns on one-yard plunges.

Meanwhile, Vanderbilt's youthful Commodores, coached by first-year man George MacIntyre, scored once in the second period to tie the score at 7-7, and added their final touchdown with just six seconds left to play against Indiana reserves.

The Hoosiers, who took a 23-7 halftime lead, were led by quarterback Tim Clifford, who ran for two touchdowns and passed for another on 10 of 13 passes for 110 yards, including a 27-yard scoring strike to Steve Corso, son of the Hoosier coach.

Indiana intercepted two passes by Vandy quarterback Van Heflin, converting both into touchdowns.

Wildcat headquarters at Bloomington will be the Ramada Inn, 1710 Dinser Pike. The team will travel by Greyhound charter. A few tickets are still available at the UK Football Ticket Office in Memorial Coliseum.

The game will be regionally televised as part of ABC's NCAA football broadcasts.

Little League tryouts Sunday

Little League Basketball and Cheerleader tryouts will be held Sunday, Sept. 23, at the Nicholas County Elementary Gym at 2 p.m.

All boys must be eight years old on or before Nov. 1. If a child turns 13 on or before March 1, 1980, he is ineligible.

Cheerleaders must be in grades 3 through 6.

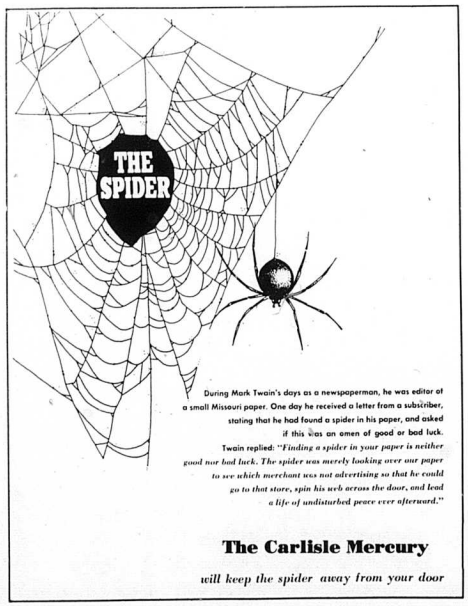
ROCK TRACKS

Ever seen the old CLADETTE COLBERT-CLARK GABLE film "It Happened One Night" on late-night TV? Catch it next time around if you want to see what PETER FRAMPTON's next film role will be—he's planning to play the Colbert part as a rock singer. To complete the switch, a gal will play the Gable role...Even megastars like

PAUL McCARTNEY are being hurt by the continuing decline in record sales, with his "Back to the Egg" LP barely moving. Sinking sales throughout the industry are causing mass firings ... BARBRA STREISAND and DONNA SUMMER are cutting a record together but the real surprise was that on the first session Barbra showed up on time, without her retinue and ready to cooperate with everyone. Donna made her entrance two hours late complete with staff and bodyguards, and then left the session disgruntled at having to sing harmony.

Marie Chapter meets Friday

Marie Chapter 259 will install officers for 1979-80 Friday, September 21 at 8 p.m. at the Masonic Temple. Refreshments will be served in the dining room after the installation. All members are urged to attend.



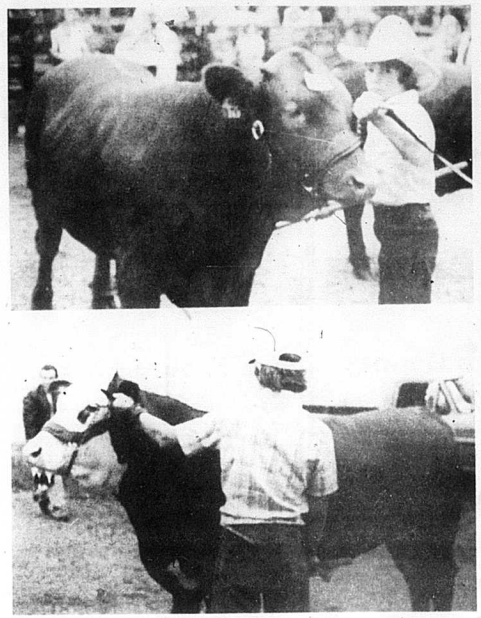
During Mark Twain's days as a newspaperman, he was editor of a small Missouri paper. One day he received a letter from a subscriber, stating that he had found a spider in his paper, and asked if this was an omen of good or bad luck.

Twain replied: *"Finding a spider in your paper is neither good nor bad luck. The spider was merely looking over our paper to see which merchant was not advertising so that he could go to that store, spin his web across the door, and lead a life of undisturbed peace ever afterward."*

The Carlisle Mercury

will keep the spider away from your door

Judge, Day win 4-H steer ribbons



Blue ribbon steers

Todd Day (top Photo) and Andy Judge won three blue ribbons at the 4-H Bluegrass Area District Show last week in Lexington. The boys showed a total of three steers and won ribbons for each of them. The steers were bought by the Deposit Bank and the First National Bank of Carlisle. —Photos by Sharon Wilson, Nicholas County Extension Office.

Andy Judge and Todd Day entered steers at the 4-H District Show and Sale in Lexington last Thursday, Sept. 13 in competition with a total of 75 head belonging to area 4-Hers.

The two boys showed a total of three steers and won three blue ribbons.

Andy showed a 1,205 pound Maine-Anjou/Hereford crossbred steer and a 925 pound Hereford steer.

Todd exhibited a 1,125 pound 3/4 Gilbvich steer to win his blue ribbon.

All three steers were purchased by the two local banks. The Deposit Bank paid Andy $1 per pound for his crossbred steer and also bought Todd's Gilbvich steer for $1.04 per pound.

The First National Bank of Carlisle bought Andy's Hereford steer for $.78 per pound.

Open house set

An open house in observance of National Hunting and Fishing Day will be held at the Minor Clark Fish Hatchery near Morehead Sept. 22 from 1 to 4 p.m.

The hatchery, which produces bass, walleye, rockfish and muskellunge for the Kentucky Department of Fish and Wildlife Resource's stocking program throughout the state, is located just below the dam at Cave Run Lake.

Hatchery personnel will be on hand to explain the operation of the hatchery and to conduct tours of the facility. In addition, general hunting and fishing informational material will be available there.

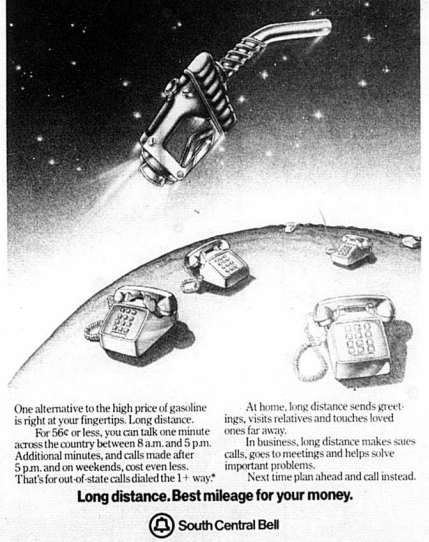
With gas prices skyrocketing, long distance is a down-to-earth money saver.



One alternative to the high price of gasoline is right at your fingertips. Long distance.

For 56¢ or less, you can talk one minute across the country between 8 a.m. and 5 p.m. Additional minutes, and calls made after 5 p.m. and on weekends, cost even less. That's for out-of-state calls dialed the 1+ way.*

At home, long distance sends greetings, visits relatives and touches loved ones far away.

In business, long distance makes sales calls, goes to meetings and helps solve important problems.

Next time plan ahead and call instead.

Long distance. Best mileage for your money.
