Psalm 118:24 "This is the day which the Lord has made; let us rejoice and be glad in it."  
In visiting in the hospital last week, I had asked what this person was doing in the hospital. "Oh, I just went to the doctor's office and he said I ought to be over here. But I don't have time to be in the hospital. I've got too many things to do." How often the opposite seems to be true with people, especially teenagers. "I don't have anything to do," is the complaint of an increasing number of people. "I've loved almost to death." Yet, Life Is Valuable Each Day is a brand new day that has never been used before. Application and imagination are God's gifts too - at least to those who want them.

## MCC announces summer schedule

Summer and intersession class schedules for summer classes at Mayville Community College are now complete.

The four-week intersession will register on May 15 with classwork beginning the next day. The end of the session is June 6. Freshman Composition, History of the United States, and Basic Public Speaking are the courses offered in this intersession session.

Registration for the regular eight-week summer session will be held on June 11 with classwork beginning the next day. A total of 24 different courses are being offered. Of particular interest this summer will be a History of Kentucky travel course which will meet on Saturdays and which make six field trips of more than 20 historic locations throughout the state.

Fees for summer sessions remain unchanged from last year. Class schedules for intersession and regular summer session may be picked up at the college Monday through Friday from 8 to 5 p.m. For further information contact Mayville Community College at 729-7141.
