150 Acre Farm Located on Pleasant Springs Road, Nicholas County, Carlisle, Ky.

We are offering for sale a farm of 150 acres located about two miles from Carlisle, Ky. in what we consider to be an excellent farming section of Nicholas County. Farm is in good grass, all kinds of hay, five ponds, 6 bent, 4 bent barns, 4 bent hay shed, electric in two barns, running water in one barn. There is a pad for a trailer, water pump, septic tank. This trailer pad is now rented for $50 per month. Tobacco base approximately 7,000 lbs., tobacco sticks to go with farm. This is an excellent cattle farm because of water supply and heavy grass coverage. This farm produces a good crop each year. There is a loan on this farm at a good rate of interest and can be transferred if purchaser should desire. Look for sign. Agent or owner will show farm.

Billy B. Doyle's Mobile Home Park and Farm

INVESTMENT PROPERTY and 20 ACRE FARM & HOME

30 miles from Lexington—near Lake Carnico

Absolute Auction

Sat. morning, Feb. 16th at 10:30 A.M.

The owner, Mr. Billy B. Doyle, has contracted to sell at Absolute Auction his fine investment property, a 9 acre mobile home park, and his excellent 20 acre farm located on the Headquarters Road (highway 32) about 1½ miles off 68, in Nicholas County, Kentucky. This is a most desirable and valuable location being about 30 miles from Lexington, and 2 miles from Lake Carnico and 2 miles from Carlisle, near Forest Retreat and other fine farms. This property is just a 5 minute drive from the lake, the golf course and the country club, truly a beautiful place to live and a choice spot for investment.

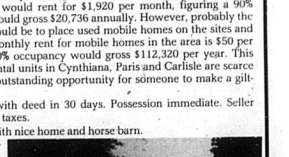
The mobile home park will sell first, and then farm will sell, and the two will not be combined.

Tract No. 1: The Shady Lawn Mobile Home Estate Park: The income potential of this nine acre mobile home park is unbelievable. The park is laid out and recorded for a 48 lot mobile home park, and in addition there are about two acres of level bottom land along the highway which would be ideal for the office mobile home displays, or other commercial use such as coin operated laundry, or similar type business. When completed the one street would have 24 mobile home sites on each side. At the present time, 10 are completed on the left side of the street, and 8 spots are rented at $40 per site. However, the next 14 up the left side of the street have their underground electric and sewer line installed, so all that is needed to rent these additional 14 spots is to have the water line extended, and the pads and electric boxes installed. The street has been graveled with the base material all the way to the end of the street. This park has its own sewage system, a 7,500 gallon Air-Flo system designed for either 50 mobile homes or 19 regular one family dwellings.

To project the gross income, if fully developed, the 48 spots at the present $40 monthly, which is very reasonable, would rent for $1,920 per month, figuring a 90% occupancy. This method of renting would gross $20,736 annually. However, probably the most profitable method of renting would be to place used mobile homes on the sites and rent the mobile homes. The going monthly rent for mobile homes in the area is $50 per week, this method of renting at a 90% occupancy would gross $112,320 per year. This potential income is very realistic. Rental units in Cynthiana, Paris and Carlisle are scarce and the demand is great. This is an outstanding opportunity for someone to make a gilt-edge investment.

Terms: $5,000 down, balance with deed in 30 days. Possession immediate. Seller pays 1979 taxes, purchaser pays 1980 taxes.

Tract No. 2: The 20 acre farm with nice home and horse barn.



Horse farms are rapidly encroaching this beautiful 20 acre farm. This is that most-wanted type of property well located and well improved. It has an attractive older frame home which contains a living room, large family room, kitchen, four bedrooms, bath, laundry room, plus front and back porches. It has city water. The barn has been used for horses in the past and has four stalls and a shop or tack room. The 20 acre farm is in heavy grass and has a tobacco quota of 1,157 lbs. basic for 1979. There are two poultry houses and an old fashion cellar. With just a small amount of touching up and redecoration, this property would be a real show place.

This is a very valuable 20 acre farm. It is located in an area that has become very valuable and desirable. Inspect this property and attend this sale. The owner has contracted to sell at absolute auction, regardless of price. Bid last and you'll buy. This is truly a great chance to buy a real desirable 20 acre farm and nice home. The smart money is going into this type of property. It is ideal either for a home or for an investment. Be there!

Terms: $5,000 down and balance with possession by April 1, 1980. Seller will pay 1979 taxes, purchaser will pay 1980 taxes.

WHO WAS THAT LADY?

This somewhat notorious woman had several romantic liaisons — one with a French sea captain and another with a wealthy wine merchant — before she married Aaron Burr when he was 77 years old. She divorced Burr the day he died and was an eccentric recluse until her own death in 1865 at the age of 90. The mansion, where she lived in New York until her death, is named after her and is now open to the public. Who was that lady? — Elizabeth Bowen Jumel
