B78-13 Radial Whitewall Tubeless Plus 1.86 F.E.T. Each Tire & Trade-in Tires

Imagine! Aramid Belted Radial Whitewall Tires Available at these Low Prices! And They're Still Backed by Our 40,000 Mile Promise!

Once You Experience the Ride of the Aramid Belted Radial, You May Never Want to Use "Regular" Tires Again!

- Aramid, the most advaced tire cord ever developed
- Pound-for-pound, Aramid is 5 times stronger than steel to resist road hazards, punctures and cuts
- More flexible than steel to give you a smoother, more comfortable ride than steel belted tires
- Lighter in weight, Aramid belts allow the tire to roll easier than steel belted tires, usually resulting in improved gas mileage

ARAMID BELTED RADIAL TIRE WARRANTY

FULL 40,000 MILE WARRANTY—DEFECT AND TREAD WEAROUT LIMITED 40,000 MILE WARRANTY—ROAD HAZARD

FULL WARRANTY—Aramid Belted Radial Tires, which fail due to defects in workmanship or material within 40,000 miles of initial installation, OR on which the original tread wears to a depth of 2/32" or less within 40,000 miles of initial installation will be replaced without charge by Western Auto Supply Company. The tread wearout portion of this warranty is void if tire is used commercially or impaired by mechanical irregularities including, but not limited to misalignment, improper inflation or improper balancing. Tires provided as replacements under this portion of the warranty are warranted only to the extent of the unexpired portion of the warranty on the tires which are being replaced.

LIMITED WARRANTY—Aramid Belted Radial Tires which fail due to a road hazard within 40,000 miles of initial installation will be replaced by Western Auto Supply Company charging the customer a pro-rata amount for the number of miles service received in ratio to 40,000 miles. The amount of this charge will be a proportionate part of the regular selling price (not reduced sale prices) of the replacement tire plus the full applicable Federal Excise Tax in effect at the time of adjustment.

Western Auto road range II passenger car tires are NOT COVERED by this warranty when used on trucks or buses, including pickup and panel trucks.

To have this warranty honored return tire to any Western Auto Store with proof of installation unbroken reading. If difficulty is encountered in having this warranty honored, contact Western Auto Supply Company, Consumer Affairs Section, General Service Department, 2107 Grand Avenue, Kansas City, Missouri 64108. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
