the American Spirit

ARAMID BELTED RADIAL

A major step forward in the evolution of tire design and construction!

62⁸⁸
Reg. 79.99

The American Spirit is backed by our 50,000 mile warranty. Computer-matched tread elements unite with our exclusive new 2-80 tread rubber, a technological breakthrough for maximum service, improved traction on wet pavement, hard-packed snow or ice. The American Spirit offers superiority in all desired performance areas - mileage, traction, handling, riding comfort, wear characteristics and fuel economy. High speed compensation provides a natural running shape thereby reducing stress. Aramid is found for-pound five times stronger than steel!

AMERICAN SPIRIT RADIAL TIRE 50,000 MILE WARRANTY

Western Auto Supply Company will replace, without charge, in exchange for tires returned to any Western Auto Store which have within 50,000 miles of actual installation: 1) Worn out 1/32" or less tread depth remaining; or 2) Failed due to a defect in material or workmanship. Tires provided as replacements shall be of the same size, type and brand as the original tires. This warranty is void if the portion of the warranty on the tire being replaced is not the same as the portion of the warranty on the tires being replaced. The tread wear warranty is void if the tire is used commercially or impinged by mechanical irregularities or improper inflation or balancing. Tires used on trucks or buses including pickup trucks or panel trucks are not covered by this warranty.
