Babe Ruth team may go undefeated

Each year the Babe Ruth League has its share of wild pitches, home runs, walks and errors, but seldom does the league expect to end a season undefeated. July 1 a pitcher for the Depot Bank A's will hurl the final pitch of the 1980 season, a pitch which would write history for Nicholas County's Babe Ruth history. Coach Bill McNabb's Athletics are now only two victories away from becoming the first team in Nicholas County Babe Ruth history to post an undefeated season. The A's won their 15th game without a loss last Friday night, a 2-1 shutout of the Senators. Although a large number of runs have crossed the plate in A's games, their 15-0 record hasn't come easily. It has taken determination, the kind of determination it takes to make a championship team, and a championship player. Coach McNabb and his assistants, Don Robinson and Jimmy Howard, have brought a complete turnaround to their 15-player club which won only four games last year. The team is composed of Greg McNabb, Larry McNabb, Wendell Fryman, Martin Truesell, William Poe, Timothy Thornburg, James Wild, Harry Hays, Steve Anderson, Darren Robinson, Kenneth Holbrook and Darrell Faulconer. Although the A's have the spotlight, there were three other teams in the league this year, the Senators, Dodgers and Giants. The fans of Babe Ruth League ball could not have enjoyed the 15-0 win, and players could not develop
