Fudd's First Law of Mail If a marked item probably isn't.

Back home again After several futile months of trying to gain respectability through association this column has moved from the "rough" page (opinion page) to the "caught" page, where I can sit back and take my share of everyone in a while.

Intriguing Current 101 Following are a few thoughts on the democratic process as inspired by current events. In my car these nights I'm going to stick a miniature tape recorder in my car (they got 'em, you know) and go to the city council meeting.
