ARAMID BELTED RADIAL TIRE WARRANTY

FULL 40,000 MILE WARRANTY—DEFECT AND TREAD WEAROUT: LIMITED 40,000 MILE WARRANTY—ROAD HAZARD

FULL WARRANTY—Aramid Belted Radial tires, which fail due to defects in workmanship or material within 40,000 miles of initial installation, OR on which the original tread wears to a depth of 2/32" or less within 40,000 miles of initial installation will be replaced without charge by Western Auto Supply Company. The tread wearout portion of this warranty is void if tire is used commercially or improved by mechanical modifications including, but not limited to siping/grooving, improper inflation or improper balancing. Tires must be removed immediately upon detection of this warranty tire expiration and only the extent of the unexpired portion of the warranty on the tires which are being replaced.

LIMITED WARRANTY—Aramid Belted Radial tires which fail due to a road hazard within 40,000 miles of initial installation will be replaced by Western Auto Supply Company charging the customer a pro-rata amount for the number of miles service received in ratio to 40,000 miles. The amount of this charge will be a proportionate part of the regular selling price (and reduced sale price, if any) in effect at time of adjustment, plus applicable Federal Excise Tax in effect at the time of adjustment.

Western Auto load range B passenger car tires are NOT COVERED by this warranty when used on trucks or buses, including pick-up and panel trucks.

Any of these thoroughly honored return tire is any Western Auto Store with proof of retail/store odometer reading. If difficulty is encountered in having this warranty honored, contact Western Auto Supply Company, Consumer Affairs Section, Consumer Service Department, 2107 Grand Avenue, Kansas City, Missouri 64108. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
