LOOK FOR IT FIRST AT WESTERN AUTO!

THE BIGGEST LITTLE STORE IN AMERICA!

At your hometown Western Auto you get the benefits of big store buying power and selection combined with the close, personal attention only a neighborhood store owner can offer.

Your local Western Auto Dealer is a respected member of the community. Because he is your neighbor he knows the values you are looking for... that you demand. He works hard to make sure you are satisfied with every purchase and stands by what he sells with strong warranties and service. Your Dealer is able to provide these services because he is your neighbor and because he is supported by a strong, multi-million-dollar national organization that backs every Western Auto item you buy.

TOP VALUE Your local Western Auto Dealer has the best catalog ordering system in town... in America. You can select from over 14,000 items at your local Western Auto Store. And if your Dealer is temporarily out of stock, or does not normally carry a particular item, he can contact his nearby Distribution Center and tell you in minutes if the item is available and when you can expect delivery. We know you want your order fast. That's why your Dealer has the best and fastest catalog order system in town.

80 VALUE Look for the 80 Value symbol in your Dealer's advertising. Western Auto's buying organization has searched the nation, the world, in an effort to provide you with great merchandise at value prices. The best of these values we have denoted as 80 Values. They are, of course, just a sampling of the great values you will find at your local Western Auto Store.

CHARGE IT AT WESTERN AUTO. Most local Western Auto stores still offer convenient credit to qualified individuals. In addition, most Dealers accept Western Auto's own Total Charge card (if you don't have one, just get it, as well as Master Card or Visa). And during the Christmas holiday season, most Western Auto Dealers offer convenient layaway plans. For a small deposit, your Dealer will make sure the gifts you want are ready for Christmas giving... and you don't have to pay for them months in advance.

Now you know a few of the reasons your Western Auto Dealer calls himself, with pride, the **BIGGEST LITTLE STORE IN AMERICA!**

Don't waste precious time and gas to make purchases in another community... look for it first at Western Auto.
