Western Flyer "SPORT" Moped for Economical Commuting & Lots of Fun!

- 1.5 H.P. engine provides you with up to 150 MPG and 25 MPH maximum speed!
- Automatic Internal Clutch eliminates the need for manual transmission shifting.
- Internal drum brakes, front & rear, are controlled by dual hand levers.

Use Credit!

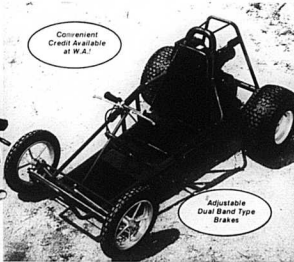

The Western Flyer "Sport" Moped features unique torque-sensing drive that makes transmission shift downward when engine rpm drops as torque on rear wheel increases. No need for manual shifting to go uphill and down heavy loads. Warn speedometer, required lights & reflectors. 2.8 gal. fuel tank, saddle, more.
