Grandma's Philosophy
This gift is for a character,
For a Grandma such as me...

Yes he's slapped me down and taken away,
Many things, just to make me see...

So when your back is against the wall
And there's no room to turn about...

He may not answer in a way,
You ask Him, but don't lose hope...

He has answered me many times,
When I humbled myself to ask...

Don't ever be so doubting,
And think life is just a breeze...

He can bring you to your knees
Do unto others is the "Golden Rule"...

It will give you life a boost,
Whether the deed is good or bad...

Oh, He has ways to let you know,
That He really cares...

But there is a mighty man upstairs,
Dorothy Curtis

Heaven's Very Special Child
A meeting was held quite far from earth...

His progress may seem very slow,
Accomplishments he may not show...

He may not run or laugh or play,
His thoughts may seem quite far away...

So let's be careful where he's sent
We want his life to be content...

They will not realize right away,
The leading roll they're asked to play...

And soon they'll know the privilege given
In caring for this gift from Heaven...

They left
But that they're gone it's started again...

Memories
Today I looked at my old home
Gazed over the hills where I used to roam...

Things have good changes, the years seem to fly
Grass waded high where Dad kept mowed low...

Fields now empty where the cows used to go
No children playing in the big front yard...

Windows now dark, no one to watch the rising sun
Mother and Dad are gone, but still to our hearts do dear...

Memories are wonderful, but there's no going back
Margaret Hildreth

Patterns
Shows a reflection of the sun
As the light reflects upon us...

To be a reflection of the sun
Individuals must form their own shadows...

Autumn Blues
I see the goldenrod turning yellow
See the leaves slowly fall...

I don't hear the birds a singing
I can't see the butterflies...

I see all the trees' colors flashing
Their gleaming on the mountain sides...

I don't hear the birds a singing
I can't see the butterflies...

The world and all its beauty
Even tho it's Autumn time...

Life - Remember
God has not promised seas always blue
Flow-er-strewn pathways, all our life...

Not a cloud in the sky,
We were happy and gay...

All gathered 'round the table,
A smile on our face...

Not a cloud in the sky,
We were happy and gay...

They lie under the rule of the an-chor-ite
For them an awful fate...

Spring Vacation - 1980
Spring vacation, what did it bring?
Three of our daughters, eight grand-children...

And lots and lots of rain,
There was Sheila and her four...

And help me live for These
Help me as I pray for my loved ones...

My Treasure
Some men count their treasure in coins of gold...

Some men point with pride to their wealth of land...

Some men show their riches in paintings rare and old...

Some men show their riches in paintings rare and old...

Some men show their riches in paintings rare and old...

Some men show their riches in paintings rare and old...

Some men show their riches in paintings rare and old...

Some men show their riches in paintings rare and old...

Some men show their riches in paintings rare and old...

Some men show their riches in paintings rare and old...

Some men show their riches in paintings rare and old...

My Prayer
Father in Heaven as my knees
There are some blessings I'm asking of Thee...

I'm just asking for others you see
I used to think I had to pray for me...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

And walk alone to see...

And walk alone to see...

And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Someday I'd like to slip away,
And walk alone to see...

Serenity
Someday I'd like to hide away,
And be all by myself...

So he leaned upon his crutches and he said "What does this mean?"
He looked around bewildered, for the old bill did not shut...

So he leaned upon his crutches and he said "What does this mean?"
He looked around bewildered, for the old bill did not shut...

So he leaned upon his crutches and he said "What does this mean?"
He looked around bewildered, for the old bill did not shut...

An Important Question
One day my son asked, "Mom, what do you do all day while we are at school?"

On the spot, I couldn't think up an answer so I sat down to contemplate what consists of my activities. I came to this resolve...

Plans, prepares and cleans up for about 900 meals a year?

Sorts, washes, separates and puts away clothes (may make and mend)?

Dusts, mops, scrubs, polishes furniture, floors, appliances and cars?

Landscapes, plants, weeds, prunes garden flowers and vegetables (ganning and freezing same)?

Cuts grass, trims hedges, puts out trash?

Paints, wallpaper, repolsters, and coordinates interior design?

Buys clothing, food, household necessities, books and gifts (on sale when possible)?

Pays utilities, makes appointments, contributes to charities?

Figures out budget, bank statement, income tax?

Wakes up family, gets kids off to school, and spouse to work?

Greets family at days end to hear about activities?

Attends PTA, is homeroom Mother, Den-Mother, scout leader, Sunday School teacher?

Is coach or cheerleader, bus driver, chaperone?

Is authority on all subjects so as to assist with homework or trip to library?

Enters family friends for meals, overnights, weekend jaunts, and parties?

Participates in community activities: church, school, civic, social, political, recreational, and special events?

Visits sick, shut-ins, elderly, lonely, new neighbors, friends, and relatives?

Attends classes and conferences for improvement of mind, body and soul?

Returns favors to spouse, is energetic, vivacious, enthusiastic about ideas, loving and ready to drop and run upon command?

Cares for family pets and strays (includes crowdading)?

Teles bedtime stories, plays games, listens to prayers, and tucks children into bed at night?

Mends broken books, cuts, brushes, and breaks hair?

It's SuperMom! - On the go!
