

Morehead to host fly-in Oct. 11-12

The Gateway Aviation Association will sponsor a fly-in/flyover Saturday and Sunday, October 11 and 12 at Rowan County Airport. Antique, classic and homebuilt airplanes will dominate the scene and an abundance of food and refreshments will be available. An admission fee of \$1 per car will be collected to help maintain the field located six miles west of Morehead off U.S. 60. The fly-in will be open to the public from noon on Saturday and from 10 a.m. on Sunday and will feature pilot events such as speed-landing and "four-point" landings. For those who are leaver pilots or think of themselves as local "barometers", rides will be available in both modern and WWII vintage craft for a nominal charge.
