

Nicholas County Conservation news

By William Halcomb
Kentuckians could save 10 to 25 percent on their heating bill by planting windbreaks around their homes.

Revival at Carlisle Christian Church starts Sunday

An old-fashioned revival will begin Sunday morning at the Carlisle Christian Church...

County FmHA helps set 1981 goals
Farmers Home Administration (FmHA) County Supervisor James A. Lecher said last week he helped set the Agency's statewide plan for investing some \$20 million through its farm, housing, community and business/industry programs in fiscal year 1981.

Windbreaks shared nine percent of the heating bill. Trainers tend to be less energy efficient than permanent structures.
Windbreaks share nine percent of the heating bill. Trainers tend to be less energy efficient than permanent structures.

Nicholas County patients included

Among the 17,497 patients from 91 Kentucky counties who were admitted to Central Baptist Hospital, Lexington, during the past year 120 were residents of Nicholas County.
