SPLITTING HAIRS — To keep those fine sweaters as soft and fluffy as the day they came from the store, add a dab of hair conditioner to the final rinse water as you hand wash them.

CRACKLING CRISP — Improperly wrapped lettuce that has become limp needs rejuvenation. Let it soak in ice water and a little lemon juice in the refrigerator for an hour or so. Shake out water and towel blot before using.

FALL FLING — A great child-pleasing concoction for open fire roasting — jelly sticks. Take one biscuit from a can of refrigerated biscuits and flatten. Wrap around the end of a long stick and cook over open fire until golden brown. Slip off the stick and fill cavity with jelly.

MAGICWORD

HOW TO PLAY: Read the list of words. Look at the puzzle. You'll find these words in all directions — horizontally, vertically, diagonally, backwards. Draw a circle around each letter of a word found in the puzzle then strike it off the list. Circling it will show a letter has been used but will leave it visible should it also form part of another word. Find the big words first. When letters of all listed words are circled, you'll have the given number of letters left over. They'll spell out your MAGICWORD.

Bluejackets play class AAAA team

By Peggy Stewart and Meg Conley

The Nicholas County Bluejackets, a class A team, took on the Henry Clay Blue Devils, a class AAAA team, this past Friday evening. After playing a superior game the Jackets came home beaten, but proud, by a score of 42-20.

The Jackets proved to their fans that they were, and are, not ready to give up. The Devils held the Jackets scoreless until the second half. The team still playing with all they had, to gain their scoring game. The first touchdown for the Jackets was scored by Donald Markland on a kickoff return. The team, working together, was able to hold off the Devils to let Markland run 80 yards down the field for the touchdown. The line doing an excellent job of blocking let David McGuffey through to run 83 yards for the second touchdown. On a five-yard pass from quarterback Mike Sowell to Barry Bretz, the Jackets' scoring game was ended for the night. Freshman Eric McGuffey kicked for two extra points.

The Devils' scoring game began earlier in the evening with a 53-yard run by Lewis Phillips. The second touchdown for the Devils was accomplished by Dick Burke on a 45-yard run. Burke also kicked all six of the Devils' extra points. On a 69-yard run Tim Anderson was able to score another touchdown.

Phillip Chenault ran for the Devils' fourth touchdown on a 15-yard run. Jeff Gay ran 47 yards on a pass interception for the touchdown. Anthony Adams scored the last touchdown for the Blue Devils on a one-yard run.

Even though the Devils had 313 yards rushing to the Jackets' 384, the Jackets were able to accomplish more first downs.

To lead the Jackets' running game McGuffey had the ball 17 times for 209 yards; Barry Frost, 17 times for 40; Todd Allison, five times for nine; Keith Williams, three times for three yards; Sowell, three times for a minus four. HOT STUFF — When is the waffle iron or pancake griddle hot enough for your batter? When you can toss a few drops of water and they skip merrily across the hot surface.

SWEET SMELL OF SUCCESS — Want to create a soft mood? Splash a little of your favorite cologne or perfume on light bulbs before switching on and let the heat do its magic.

DO YOUR PART — To conserve kitchen energy, cook with the minimum amount of water and use tight-fitting lids.

SOUTHERN FRIED — For really great-tasting fried chicken, render out several slices of bacon. Add shortening to the bacon grease and fry flour-drenched chicken as you normally do. Delicious!

SHOP AND COMPARE — Supermarket prices on non-food items, such as beauty and health aids, usually have a higher markup than at a discount store. Do a little comparison shopping before you buy.
