

Opinion

Ground rules are noted

Before someone attempts to place The Carlisle Mercury staff between a rock and a hard place, we repeat parts of an editor's note published in the June 12, 1980 issue of the Mercury...

SENSING THE NEWS

By Anthony Herzig
The rejection of the United Auto Workers by employees of GM's steering gear plant in Decatur, Ala., has significance far beyond that industrial state...

There's no need for it all down and cry if it wasn't so embarrassing.
The IAW organizers at Decatur want no personal; it was part of a change in the industry...

The advent of massive foreign competition has made many industrial workers realize that their wage scales have...

Agree or Not

An editor's random thoughts...

By Warren R. Fisher
Lay late, and lazily there comes into my fitful dreaming the roll of a drum, brisk and martial, and suddenly I awake to find the sunlight streaming in and know that my drummer is not warlike, but lovelorn, though his uniform be as gay and bright as any drummer-lad who ever rapped a call to battle...

Thursday, April 10, 1941
Deputy Sheriff Floyd Clark reported this week that marauding dogs reportedly have killed many sheep and lambs in Nicholas County in the last few days...

Fire of undetermined origin destroyed an old pool room in Henryville Tuesday night about 2 o'clock. The building, which belonged to Bradley Fields, was used for storage. The loss was corrected by the board of supervisors...
