News from Nicholas County Courthouse

What is the U.S. Tobacco Program?

Federal budget cutting has brought a renewed study of the U.S. Tobacco Program...

Who benefits from the program? Mostly the 700,000 producers, mostly small farmers...

How does the program operate? Basically, it stabilizes the market by limiting production...

How is the program self-financing? Producer-owned cooperatives borrow Commodity Credit Corporation funds...

How does tobacco benefit the community? By yielding \$6.5 billion annually in taxes...

What has the program produced? Without the protection of price supports many small farmers would be adversely affected...

How much has been earned for the growers? Total gains distributed have been \$16.5 million...

How does tobacco contribute to the nation's economy? A 1979 study by Wharton Research Institute shows tobacco and its products generate \$5.76 billion annually...

How does tobacco rank in U.S. agriculture? Tobacco is sixth largest cash crop, behind corn, soybeans, hay...
