WHAT'S YOUR ANSWER?

A few days ago a survey about your electrical needs may have arrived at your home and at several other residences in your RECC's service area.

It is a brief, easy-to-answer questionnaire that will provide us valuable information in deciding how much electricity you're going to need in the near future.

Many RECC members have returned this very important survey, but there are many who are still being counted on to send in their

If the results are going to help us continue planning efficiently for future electrical requirements, a high percentage of the surveys must be returned to us as soon as possible.

The survey is easy to mark, extremely important, and will cost you nothing except a little time. This is your chance to help us and vourself in planning for our energy future today.
