MAGICWORD

HOW TO PLAY: Read the list of words. Look at the puzzle. Start to find these words in all directions — horizontally, vertically, diagonally, backwards. Draw a circle around each letter of a word found in the puzzle, then strike it off the list. Circling it will show a letter has been used but will leave it visible should it also form part of another word. Find the big words first. When letters of all listed words are circled, you'll have the given number of letters left over. They'll spell out your MAGICWORD.

REFRESHING TEA — Sol.: 9 letters

THE HOME GAME

BY VIRGINIA TRUAX

HOW SWEET IT IS — Did you know fresh milk will stay sweet longer if you add a pinch of salt to it?

GOLDEN GLOW — To help minimize the sun's harmful effects on your skin and yet acquire a softer, faster tan, apply cocoa butter before sun bathing. You should be able to buy it at the drugstore.

FORGOTTEN COOKIES — They "bake" while you sleep. Beat 2 egg whites with ½ teaspoon cream of tartar, adding ½ cup sugar, a teaspoon at a time. Fold in 1 can flaked coconut and ½ teaspoon vanilla. Drop rounded teaspoonful on greased cookie sheet and place in a 350-degree oven. Immediately turn off and let stay in oven several hours or overnight.
