THE CARING CORNER

Exodus 20:12 "Honor your Father and Mother" Honor does not mean reverence nor worship. It means more of respect. Don't care them. Don't despise them. Honor has more to do with respecting and caring for them as individuals.

Do we take our father or mother for granted? Do we feel as if they are always there, always for us as one of those people who never speak, write, or call our parents except on Mother's Day or Father's Day?
