

Forestry tax tips

Forest landowners can now receive information helpful with tax benefits and deductions through a revised

leaflet, Forest Supervisor Richard H. Weigert, Daniel Boone National Forest, Winchester, Ky. announced. The leaflet is published by the Southeastern Area, State and Private Forestry Branch of the Forest Service, U.S. Department of Agriculture. The leaflet lists tax information pertinent to forest landowners, explains what income is taxable and notes various changes in selected tax laws. Discussed in the leaflet is Revenue Ruling 80-175 which concerns timber casualty losses such as hurricanes, earthquakes and ice storms, and Public Law 96-461 which includes new reforestation tax incentives. For a free copy of Many Forest Landowners Pay Too Much Income Tax: Do You?, General Report BA-GH 13, write to, call or visit one of these offices: Supervisor's Office, Daniel Boone National Forest, 100 Vaught Road, Winchester, Ky. 40391, phone 866-74-4646; or District Ranger, U.S. Forest Service, Box 18, Hubbard Hollow, Morehead, Ky. 40351, phone 866-794-5524 or 784-6900.

Sawyer to address MSU audience

MSU State Department Correspondent Diane Sawyer, a native of Louisville, will be featured speaker for Morehead State University's 1981 Founders Day on Thursday, March 19. She will address a 10-20 a.m. Convocation and Awards Ceremony in Bunion Auditorium as part of the observance of MSU's 100th anniversary as a state institution of higher education.

The program is free and open to the public. It will include the presentation of the 1981 Founders Day Award for University Service.

A member of the CBS Washington news team since 1976, Ms. Sawyer previously served on former President Richard Nixon's White House staff and as a researcher on his autobiography, "RN".

Ms. Sawyer was commended for her reporting of the Iranian hostage crisis.
