McCliffey tipped the ball away from the Rebel receiver and Steve Anderson came up with a spectacular interception.

While the defense was busy shutting off the opposition, the offense opened up with a few surprises. The play of the season was Pumphrey's move of standard sophomore receiver Steve Anderson into the quarterback position in place of Rocky Young who has been battling with a broken hand since the Rawlsland contest.

With Anderson at the quarterback slot, the Jackets engineered sustained scoring drives in the second, third, and fourth quarters, and moved the ball up and down the field all night.

The second quarter score came after a big 13-yard gain by Robert Hopkins put the ball inside the Owen 10. After an illegal procedure call, the Jackets moved back toward the goal line, and David McCleffey punched it over from the two on fourth and goal.

Mike Woolley recovered an Owen County fumble on the first play of the second quarter, and set up a scoring drive that was once again capped by a McCleffey run that boosted the Jackets lead to 20-0.

But Eric McCleffey's interception set up the Jackets' final score. The theft proved the way for some strong running by the middle, capped by a driving Keith Williams run into the end zone.

The final statistics showed David McCleffey once again the offensive leader with 85 yards rushing on 22 carries and one return for 95 yards, for a total of 180 yards offense. Robert Hopkins picked up 42 yards on 11 carries, while Keith Williams had 30 yards on 11 tries.

Mike Woolley was all over the field from his defensive position to lead a strong Jackie charge. The senior was making tackles, assists and breaking up passes from one sideline to the other. He finished with 13 solo tackles and an interception.

He was followed by Troy Busell with 10 hits and David McCleffey with nine Mike Webb and Mark Taylor had seven hits each.
