Day Care Week proclaimed in Carlisle

Mayor Frankie Hughes proclaimed Day Care Week as Aug. 5-6, in an effort to recognize the day care facilities run by Ms. Elaine Broderick in the old hospital building.
The resolution says, in part, "day care is a program of child care and training which is designed to supplement the family who is obligated or unable to adequate part of the responsibility for providing care and developmental opportunities for its children."
Ms. Broderick also announced a schedule of activities, including an open house and a free day for your child.

Monday, August 2
OPEN HOUSE — Nicholas County Day Care Center (old hospital building), 8 a.m. to 4 p.m. Tour the center, talk with the teachers, register your child for a free day of child care.

Tuesday, August 3
FREE DAY — Take advantage of a free day of child care (for children 2-13 years old) who have never attended the day care center. Reservations must be made no later than 5 p.m. Monday, Aug. 30, 1982 or age up at the center.

Wednesday, August 4
BLUESGRASS DAY — A special invitation is issued to the parents at Blue Grass Tenting and Blue Grass Industries to visit the Day Care Center and see firsthand how the Day Care Center operates.

Thursday, August 5
PARENTS DAY — There will be a parent meeting for all parents of children who will be attending the Day Care Center this fall (before/after school, before/after kindergarten, and all day). Future plans for the Day Care Center will be discussed. The meeting will be at 3 p.m. at the Day Care Center.

Friday, August 6
KINDERGARTEN DAY — Parents may bring their children (from 8 a.m. to 6 p.m.) who will be attending kindergarten care and introduce them to the Day Care Center and teachers. Registration/application may be completed at this time.
