Why should I vote Yes on Dec. 4? We believe that thousands of dollars are lost in Nicholas County and lost counties every week.

Who are and where are the most progressive towns, most industry, most shopping areas, most people employed, and yes the highest taxes paid? How about Paris, wet, how about Cynthiana-wet, how about Winchester-wet, how about Mt. Sterling-wet, and Maysville-wet?

How many people have talked to you about getting a job in Owsingsville, Morehead or Flemingsburg?

We ask why is it the wet towns seem to have all the shopping centers and the employment that the dry towns don't? Can we afford to not vote yes? Can we move or do we have to stand still? We are not standing, we are sitting.

Do we the people want our county and town to move and take its place with other progressive towns in the surrounding areas or do we want to send our money every week to Paris, Mt. Sterling, Cynthiana or Maysville. Drive to any of the above on Friday or Saturday night, see how many Nicholas County people leave for shopping, for groceries, hardware, appliances, and yes to drink. Ask them why they did not stay in Carlisle. The answer may surprise you.

You will also find better law enforcement in all the towns where alcoholic beverages are legal.

We stand for more industry. We stand for keeping Nicholas County money at home. And we stand for progress. We feel a YES vote is a step in the right direction!

Vote Yes. Ask your friends and neighbors to vote yes. We at Myers believe the economy of the whole county is at stake. Therefore we at Myers are for BETTER NICHOLAS COUNTY!
