Miss Noffsinger is chosen

The granddaughter of Mr. and Mrs. Estil Noffsinger of Carlisle has been written up in the Piqua Daily Call newspaper of Piqua, Ohio for being an outstanding Girl Scout.

She is Cheri Noffsinger, 15, a sophomore in high school there.

The article, which follows, was written by Call staff writer Tara Millhouse:

Cheri Noffsinger

Like most teenagers, Cheri Noffsinger is busy planning her summer activities. This summer will be a little more hectic than usual for the Piqua High School sophomore.

Noffsinger, 15, of 1824 Britton Drive, will start the summer with a trip to Savannah, Ga., with her Senior Cadet Girl Scout troop to visit the home of Juliette Low, founder of Girl Scouting. Her troop has held a number of fund-raisers to gain money for the early June trip.

After returning home from Georgia, Noffsinger will be off for Wyoming. She was one of 40 girls from across the country selected to attend "Ho! West We Go" summer camp at the Girl Scout National Center West. The 14,000 acre site borders Big Horn National Forest in central Wyoming.

Noffsinger said activities will include backpacking, horseback riding, fishing and exploring the rugged Wyoming terrain. Participants will live in tents, do all of their own cooking and generally "rough it" during their stay from June 26 to July 4. Noffsinger said she is especially looking forward to horseback riding. "I've never been on a horse very much, but it should be fun," she said.

Noffsinger was selected on the basis of her application submitted about five months ago. In addition to detailing her Girl Scout background, she was required to explain why she wanted to attend the camp. "I wanted to go to a new place and experience things I wouldn't see around here," she said. She also noted it will be her first opportunity to travel without being with family or friends.

The third phase of Noffsinger's busy summer will be band camp at Bluffton College in early August. She plays the flute in the marching band.

Noffsinger has been involved in Girl Scouts since the second grade. Her mother Trudy is assistant troop leader. Her sister Kerry is a junior Girl Scout. Their father is Wayne Noffsinger.

Her other activities include concert band and pep band. She played in the All the Night Visitors" and the "Messiah."

Last spring Jooks finished third in the junior/senior division of the Kentucky National Association of Teachers of Singing competition.

"The Stephen Foster Story" is one of Kentucky's major visitor attractions, drawing over 70,000 persons each summer. During its entire run, it has played to well over 1,300,000 persons.

The play compresses facts about the famous American composer's life into a romanticized view of how he came to write his best-known song, "My Old Kentucky Home."

"The Stephen Foster Story" will play nightly, except Mondays, through Sept. 5. Reservations are available at 800-752-6099.

Timmy Fooks is performing in Foster Story

Tim Fooks, the son of Mrs. Annette Flora, Route 3, Carlisle, is performing this summer in "The Stephen Foster Story."

Fooks is playing the role of Jamie Buchanan and singing in the show's chorus.

A junior music education major at Campbellsville College, he has appeared in productions of "Amahl and the Night Visitors" and the "Messiah."

Last spring Fooks finished third in the junior/senior division of the Kentucky National Association of Teachers of Singing competition.

Mrs. Warner Lowe is honored by Homemakers

Mrs. Warner Lowe

The Nicholas County Homemakers wish to recognize one of its oldest members for her inspiration and leadership. Before the days of the Nicholas County Homemakers Clubs, Mrs. Warner Lowe attended a nearby Bourbon County club at Jackstown.

Realizing the helpfulness in enrichment of home and family life for farm women, Mrs. Lowe and some of her friends went before the Fiscal Court in 1954 and insisted that a Home Economics Extension Department be organized in Nicholas County. With the employment of a full time Home Demonstration Agent, Homemakers clubs were formed. Parks Club was one of the first to be organized and Mrs. Lowe has retained her membership in that club.

Mrs. Lowe has been an active member, having served in every office of her club and every educational chairmanship. In 1955 she was elected Nicholas County Homemaker President and served for two years.

Because of her many projects, such as food preservation, home management, refinishing furniture, picture framing, braiding rugs and clothing construction, she was nominated for a Master Homemakers Award.

Mrs. Lowe is also the mother of two sons, Henry Grant Lowe, curator of Cane Ridge Heritage Museum in Bourbon County, and James Clark Lowe, Nicholas County farmer active in extension work, civic and religious work.

She has three grandchildren. Her granddaughter Cheryl is employed in Leslie County as an Extension 4-H Agent.

Carlisle retailers to hear about new laws

The Kentucky Retail Federation Inc. will sponsor a meeting for all "local" Carlisle merchants on Friday, July 30, 1982 to inform retailers of the recent changes in laws resulting from the 1982 legislative session. Major changes were made in the Worker's Compensation Law, Unemployment Compensation Law, Wage and Hour Laws, Inspection Laws, and others that will directly affect retailers.

Mack J. Morgan Jr., President of the Kentucky Retail Federation, said the session will be held from 3-5:15 p.m. at the Deposit Bank and that the meeting will be free. All retail merchants are invited and encouraged to attend.

Subjects to be discussed will include the changes mentioned above and the new Bankruptcy Law, Fee and Tax Increases, Forced Deposit Legislation, Minimum Wage, Industrial Revenue Bonds, Enterprise Zones, Generic Drug Law, Handicapped Access, and other laws and related subjects.

Required posters, signs and other helpful written information will be available as handouts without charge, he said.

The discussion will be led by staff members of the Kentucky Retail Federation. Additional information about the meeting can be obtained from Douglas Garrett of Garrett Furniture in Carlisle, who is the local chairman of the federation.

State will approve county roads

In spite of the economic downturn of the nation's economy, July will see the largest amount of contracts ever awarded during a one-month period in the state Transportation Department.

Transportation Secretary Frank Metts said that this month's three lettings — on July 1, July 22 and July 30 — total $134 million. The previous record month was September 1979 when $117 million in highway projects went to contract.

Included in the July 23 letting are two resurfacing projects in Nicholas County.

The department will resurface 3.3 miles of KY 36, KY 13-U.S. 68 Road, from Pleasant Springs Road to U.S. 68 and 1.5 miles of KY 1285, East Union Road, from KY 57 extending northwest.

Metts said that contract dollars are a boom for Kentucky's economy. "This $134 million will turn over seven times in our economy. Jobs are created and the citizens of Kentucky will have the best road system money can buy," he said.

"This is not a WPA or welfare program and we are not filling up file cabinets — drawing plans that may never be used or taking aerial photographs. We're putting the taxpayer's money where it belongs, in a good road system," Metts said.

Kay's Kitchen

By Kay Fisher

Nothing is quite as easy to serve in the way of a dessert in the summer time as ice cream or sherbet, and nothing quite as refreshing. Making ice cream at home in a freezer brings back lots of fond memories for adults, and opens a new world of happiness for children, as they learn all good things do not come out of a box or can. And who can forget the pleasure of getting to lick the dasher. For those who have an ice cream freezer, I expect it is an electric one. So when making the ice cream, follow the directions that come with your particular freezer.

Now for those who do not have an electric or any kind of freezer, there are ice creams and sherbets you can make in the freezer compartment of your refrigerator. Maybe not as much fun, but the end results are very good.

TROPICAL ICE CREAM

4 well-beaten egg yolks
1 cup sugar
¼ teaspoon salt
1¼ cups milk, scalded
3 ripe bananas, mashed
1 cup whipping cream
1 8¾-ounce can crushed pineapple, drained
¼ cup finely chopped maraschino cherries
½ cup chopped walnuts (optional)

Combine egg yolks, sugar and salt. Slowly stir in slightly cooled milk. Cook and stir over low heat until mixture coats metal spoon. Add mashed bananas. Cool and pour into one six cup or two three cup refrigerator trays; freeze firm. Whip cream. Remove frozen mixture to chilled bowl; break into chunks and beat until fluffy. Fold in pineapple, cherries, whipped cream and nuts. Return to refrigerator trays and freeze firm. (Makes two quarts.)

LEMON ICE CREAM

2 eggs
¼ cup sugar
½ cup light corn syrup
1¼ cups milk
1 cup whipping cream
¼ cup lemon juice
2 teaspoons grated lemon peel

Beat eggs until light and lemon colored. Add sugar gradually, beating constantly. Add corn syrup, milk, cream, lemon juice and grated peel; mix well. Freeze until firm. Turn out into chilled bowl; beat until light. Returns to freezing tray. Freeze until firm.

FROSTY PEAR SHERBET

1 can (29 oz.) Bartlett pears
2 tablespoons lemon juice
½ cup half and half
1 tablespoon green creame de menthe
1/8 teaspoon salt
1 egg white, stiffly beaten
1 can (16 oz.) Bartlett pears
Mint sprigs

Place undrained pears from 29 oz. can in blender with lemon juice, half and half, creme de menthe and salt. Blend until smooth. Turn into freezer trays and freeze until firm. Break frozen mixture into chunks and beat with electric or rotary beater until smooth. Fold in stiffly beaten egg white. Return to freezer trays and freeze until firm.

To serve, drain 16 oz. can pears. Cut pear halves into thirds and place upright around sides of sherbet glasses. Place scoops of sherbet in center. Garnish with sprigs of fresh mint.

RHUBARB ICE CREAM

2 cups diced rhubarb
½ cup sugar
¼ cup water
1½ cups tiny marshmallows
2 cups frozen whipped dessert topping, thawed

Few drops red coloring (optional)

In saucepan combine rhubarb, sugar and water. Cover and simmer 10 minutes or until rhubarb is tender. Add marshmallows; cook and stir over low heat until melted. Stir in food coloring. Chill. Fold in dessert topping. Spread mixture in three-cup freezer tray. Cover and freeze. Makes three cups.

Fish-game supper

The Nicholas County Fish and Game Club will have a potluck supper Friday, July 23, 7:30 p.m. at the club.

All members are urged to attend.

"FREEDOM"

I suppose one of the several misused words today is the word "Freedom". When in reality many do not know what real freedom is. Many are deceived today into believing that "Freedom" is doing what you want even if it hurts somebody. People are doing all kinds of things today in the name of freedom which God condemns. Filth is put out and it is put under the disguise of freedom. We need to realize this is not true freedom but rather bondage to satan and to self.

Jesus said (in John 8:32): "Ye shall know the truth, and the truth shall make you free." "If the Son therefore shall make you free, ye shall be free indeed."

Freedom as the Bible states it is freedom from sin, not freedom to sin. .there is a great difference!
