

KSP lists safety tips for motorcyclists

Be sure practicing before you get on the road in heavy traffic. Make sure you have a valid license and maintain your cycle.

Communicate your intentions to other drivers. Use hand signals, signal lights and your brake light to give other drivers plenty of notice.

'82 corn crop outlook is tight

Kentucky corn growers are faced with increasing production costs and low prices as they plan for their 1982 crop.

The multi-advantages of the program are that it qualifies participating farmers for a government loan in the field and offers target price protection.
