New primary date

Not this year and not next year...but it's retirement check every month for the rest of their ning in 1984! A big change in Kentucky coming in 1984! A big change in Kentucky politics.

In case you hadn't noticed there won't be any more spring primaries beginning in '84. There will be a fall primary instead.

The idea, which we think is a good one, is to make the proper principle of the princ

life.

It would do us well to think more carefully about the original intentions of those Americans tack in the 170% who signed several documents designed to right the wrongs that had been done us by greedy politicians. They braved considerable personal danger just to put their names to some documents designed to make life as the easier four.

We wouldn't need this neve law if the right people were running for office. Somewhere down report were running for office. Somewhere down reasons of running for public office.

The respect of running for public office and respect to the respect of running for public office.

Once upon a time political jobs were sought by those who wanted to serve their fellow man country and would do well to remember the country and would do well to remember the country and would do well to remember the country and would not well to remember the countr
