**— Parting Thanks —**  
As we close our doors, for ourselves and in memory of the Abraham Family, we extend our sincere and heartfelt appreciation to our customers for their support given throughout Abraham's long history. Special thanks and recognition belong to Miss Lena Humphrey, our dearest friend, and everyone's friend, who was a loyal mainstay at Abraham's for over 38 years. We were fortunate in having her and several other fine ladies who made Abraham's a warm and pleasant place to visit and shop.

**Democratic supper set for Friday**

Kentucky Democratic Party Chairman Paul E. Patton and Executive Director Skipper Martin will host a 7th Congressional District spaghetti supper on Friday, March 12 at West Carter High School in Olive Hill, Ky., from 7-9 p.m. The cost per person will be \$1. The supper was originally scheduled in December of 1981 but had to be cancelled due to inclement weather. The guest list includes Democratic County Executive Committee members, elected Democratic officials, State Central Executive Committee members and Democratic members of the General Assembly from the 7th Congressional District. Any member of the Democratic Party from the 7th Congressional District who would like to attend, please call Kentucky Democratic Headquarters at 902-60-8428.

**Intersection is scene of accident**  
A minor accident took place at the intersection of Main and Broadway Saturday, according to an accident report filed by city Patrolman Jim Coy. Coy's report says that a car driven by Mark Previs, 102 Catherine Street, was crossing down Main Street and that a car driven by Debra Hillcock, 1810 E. Carlisle, was headed up North Broadway when the two cars collided at the intersection around 12:30 p.m. Both cars received only minor damage to front fender areas. There were no injuries.

**Multiple Peril Crop Insurance**  
Farming has always been risky. And with today's sky-high production costs it's riskier than ever. So it's good to know you have a safety net when you have Multiple Peril Crop Insurance. It gives you confidence to move ahead. Because Multiple Peril Crop Insurance protects you against natural disasters like drought, too much rain, wind, insects and disease, same coverage as the Government All Risk, same low cost as the Government All Risk.
