Two minor fires reported

County Fire Chief Woody Wilson reported two fire runs during the last week.

One was to the tobacco barn of Clifton Waugh on the Lower Jackstown Road about two miles from Carlisle at about 6:50 p.m. on Thursday, Nov. 4. George Sexton, the tenant, reported a fire in the stripping room caused by a bad flue. Only minor damage was done.

On Friday, Nov. 5, another fire run was made to the Elzie Davis home, where Kenneth Livingood was the tenant. Soot buildup in the chimney was reported, with only minor damage.

Clarification on disability exemption issued

Rose Brady, Property Valuation Administrator, wishes to clarify a point pertaining to the Disability Homestead Exemption. A recent article stated that this is a separate exemption, but, in fact, it is an extension of the Homestead Act. It was made to include those homeowners who are not yet 65 years of age and are 100 percent disabled, thus only one exemption per household is allowed.

The disability exemption has different qualifications and deadlines so it is important that those applying to come to the PVA office or call 289-5460 before paying their current tax bill.
