Halloween is just around the corner
and children are anticipating a night
full of ghosts, witches, goblins and
especially the fun of "trick or treat."
However, recent years have
seen alarming reports of drugged
and dangerous candies and fruits, and
of children being molested or kidnaped
during the Halloween festivities. To
ensure your family a safe celebration,
Attorney General S. Lee V. Beasler
strongly recommends that you take a few
minutes and prepare your children for
"trick or treat." Here are several
safety tips to remember:
