Kent Mann named KSD's assistant principal

The Kentucky School for the Deaf located in Danville will open its 160th year with a new assistant principal. Kent Mann, a Nicholas County native, has been named the school's assistant principal for special services.

The assistant principal for special services is responsible for the school's diagnostic and evaluation services, P.E./Athletics, learning resources media services, the special resource department classroom and residential programs.

Kent is very active in the community of Danville, serving as the president of the Boyle County Primary Parent Teacher Organization, cubmaster of Troop #236, president of the Kentucky Registry of Interpreters for the Deaf and many other committees. He was recently appointed by Governor Brown to the newly formed State Commission on Deafness.

Mann was named Danville's outstanding young man in 1978 and Danville's outstanding young educator in 1979. Presently he is nominated for inclusion in the 1982 outstanding young men of America.

Kent is married to the former Nancy Lamb of Danville and they have one son, Dan Clay. He is also the son of Mr. and Mrs. Clay Mann and the grandson of Mrs. Margaret Day of Nicholas County.

Eastern Kentucky University changes Homecoming date

Eastern Kentucky University's 1982 Homecoming date has been moved from Oct. 30 to Oct. 9, a 1:30 p.m. contest with Middle Tennessee, University officials announced recently.

The Colonels' Homecoming date for the upcoming season was to have been a Saturday, Oct. 30 date with the MSU Racers. But when contract negotiations with WTHS-TV, Ted Turner's Atlanta-based 24-hour cable station, stipulated this game be played on Thursday night, EKU Homecoming arrangements were changed.

"We felt a move to another Saturday earlier in the season would make Homecoming more accessible for our alumni and fans," said Donald Feltner, EKU's Vice President for Public Affairs.

The Oct. 9 date, in reality, is just a week earlier than the 1981 Homecoming game versus the University of Dayton.

WTHS officials visited the campus Tuesday to make a "stadium check" to see what facilities were available at Hanger Field and what would need to be altered before a night game could be played at the stadium.

Kay's Kitchen

By Kay Fisher

They say, whoever they are, that we will have an early fall. So you may want to plan a last cookout or two. I have already noticed, sorry to say, the evenings are not quite as long, so if you are grilling some things, you will need to get an earlier start. For grilling roasts or chicken, in fact any large piece of meat, it will take several hours. So you must start early enough to enjoy the cookout before the chill takes over.

The following chicken barbeque recipe takes 3-3½ hours, so take it from there and gauge your time accordingly.

BARBEQUE CHICKEN

4 large broiler chicken halves
4 tablespoons Ac'cent
4 tablespoons paprika
1 tablespoon salt
1 tablespoon pepper
3 tablespoons salad oil
3 tablespoons white vinegar
1 teaspoon Tabasco sauce

Sprinkle both sides of chicken halves with Ac'cent, paprika, salt and pepper. Place chicken halves on grill at low heat with generous smoke from hickory chips. Cook for 3-3½ hours. Combine oil, vinegar and Tabasco sauce and brush chicken the last hour of cooking. Be sure to turn chicken several times while cooking.

GRILLED HAM

1 center-cut slice ham, 2 inches thick
2 (8-ounce) cans sweet and sour sauce
1 (15¼-ounce) can pineapple chunks, drained (reserve liquid)

Put ham in a flat, shallow pan. Combine sweet and sour sauce and the juice from pineapple. Pour over ham and let stand for 4½ hours.

Remove ham and place on grill set at low heat. Brush with marinade as ham cooks. Grill at least 2½-3 hours. Garnish with pineapple chunks.

GRILLED ROAST

4-pound chuck roast, 2 inches thick
5 tablespoons soy sauce
3 tablespoons sherry
Juice of 2 lemons
1 tablespoon dehydrated onion
2 tablespoons coarse ground pepper
2 tablespoons seasoned salt
1 small clove garlic, minced
1 (8-ounce) jar honey
Cooked rice
1 pound fresh mushrooms

Select a good cut of chuck roast. Combine all other ingredients except rice and mushrooms to make the marinade.

Place roast in a shallow pan and pour marinade over it. Marinate for several hours or overnight. Remove from marinade and place on grill. Cook over medium to hot heat until desired doneness, basting occasionally. Cut into thin slices and serve over a bed of cooked rice. Cook mushrooms on grill about five minutes and serve with roast slices.

MCC to schedule tennis tournament

The third annual open tennis tournament at Maysville Community College will be held Sept. 9-12.

A $2 entry fee will be charged per person per event and all area residents are invited to participate. Nearly 100 participants enjoyed last year's tourney.

Events scheduled for the tournament include men's and women's doubles, men's and women's singles, and mixed doubles. Trophies will be awarded to the first and second place winners in each event. Balls will be furnished for the semi-finals and finals.

New nets will be put up on the MCC courts just prior to the tournament. As in the past, the tourney will be held at both the community college tennis courts and at the Maysville-Mason County Recreation Park courts.

Those wishing to enter should contact Chris Baum for information and registration at 759-7141 or 564-5172. The registration deadline is Sept. 6.

Miracle

Continued from page 1.

ticking off the clock, Rocky Young received a pass from McGuffey for the 15 yards and a dramatic touchdown.

The tension was building and the crowd was on their feet. The success of the extra point would most probably decide the outcome of the game. The pressure was on, but Jacket Robert Hopkins pulled through, successfully scoring the two extra points giving Nicholas the amazing victory they had fought so hard for.

The last seconds of the game, Richmond was given possession of the ball, but a quarterback sack by Hopkins and three consecutive incomplete passes proved fatal for the Purples' last efforts to make a comeback. The final score of the ballgame was Nicholas 14, Richmond 13.

Richmond Madison is a high-class, respected team. They have fine players and their team is fast and strong. Both teams displayed supreme sportsmanship but the Bluejackets had the confidence and character that let them come away with the victory.

The following are team statistics for the Bluejackets: Robert Hopkins had 30 carries, for 99 yards and one touchdown. Keith Williams carried the ball 11 times for 44 yards. Steve Anderson had 13 carries for 34 yards. He threw one complete pass for 15 yards. He gained 15 yards on a kickoff return and 15 yards on a punt return. Eric McGuffey had two carries for three yards. He completed three of seven passes for 80 yards and one touchdown. Rocky Young caught four passes for 86 yards and one touchdown. Scott Ramey intercepted one pass and gained 13 yards on a kickoff return. Greg Robinson punted twice for 75 yards. Terry Ledford had nine tackles. Scott Ramey had five tackles. Anderson and Hubbs had four tackles, and Duane Baker and David Hunter three tackles.

After the game Coach Pumphrey remarked, "When you have team effort of the supreme character we had Friday night, it would be unfair to single out one individual. Our team attitude was not win or lose, but instead every individual giving everything they had."

	NC	RM
First downs	13	6
Yards rushing	180	80
Yards passing	95	121
Pass completions	4-9	4-13
Interceptions	0	1
Yards penalized	5	25
Fumbles lost	2	0

The Bluejackets will take on Mason County Friday, Sept. 3, at home.

Sheriff's office investigates two wrecks

On Friday afternoon at about 5:30 p.m., the Sheriff's office answered a call six miles east of Carlisle on the Locust Grove Road, where a car had left the road and turned over on the E.C. Davis farm.

The car was driven by Douglas E. Frederick, 18, of Route 4, Carlisle, who said he bent over to pick up a pipe off the floorboard when the car left the road and tore down 50 feet of fence. Sheriff's officers report the car was a total loss.

Sunday, Aug. 29, at about 5:30 p.m., officials were called to Highway 32 about one mile west of Carlisle, where a car driven by William H. Watkins, 41, of Carlisle, crossed the road and struck a boat and trailer parked on the shoulder of the road.

The boat and trailer were being pulled by a vehicle driven by James G. Howard, 41, of Route 1, Carlisle.

Watkins told the Sheriff's office that he fell asleep at the wheel. His car was moderately damaged and the boat trailer only slightly damaged.

Nicholas got $23,429 in training funds

Dr. Grady Stumbo, while still Human Resources Secretary, announced that Nicholas County received a total of $23,429 in 1981 to provide training and work experience for 23 county residents.

The training and work experience programs are administered by the Cabinet's Department for Manpower Services to help unemployed people find meaningful jobs.

The funds in Nicholas County were spent for the following programs:

— $23,429 to provide youth with summer work experience.

"In addition to helping people find jobs, the Department also works with employers to develop jobs," Stumbo said.

"In the present economic climate," Stumbo continued, "the Cabinet's employment and training programs provide a valuable service to Kentuckians who want to work
