Currently, more than $42,000 in federal monies and more than $8,000 in state grants are helping students to attend MCC.

New enrollment high at MCC

Enrollment for the fall semester at Maysville Community College has reached its highest point in the 15 years of the college's operation.

At present, 563 students are enrolled for classes. This figure compares with 547 students enrolled in the fall of 1981. A number of factors including the college's low tuition rate, its convenience for area residents, and the generally poor economic conditions have been cited for the increase.

In addition to the peak enrollment figure, an encouraging feature is that the college now boasts its highest number of students enrolled on a full time basis (students registered for 12 or more semester hours of credit). This semester, 343 full time students are enrolled compared to 297 full time students in the fall of 1981. Part time enrollment is 244 students this semester compared to 256 students last fall.

Community service classes ranging from cake decorating to computer literacy currently have 165 enrollees. Some of these classes begin their meetings next week and should increase that figure. Morehead State University is also teaching two graduate classes for area teachers at the MCC facility.

Sen. Ed Ford honored

State Sen. Ed Ford, D-Cynthiana, has been awarded an honorary membership in the Kentucky Association of Chiefs of Police.

Ford is the first member of the Kentucky General Assembly to receive this award, and he is only the seventh person in the association's 76-year history to be named an honorary member.

He was unanimously elected to the group because of his "continuous support of law enforcement."

Ford has been a member of the Legislature since 1978. He is co-chairman of the Interim Joint Committee on Counties and Special Districts and serves on the Agriculture and Natural Resources, and Education Committees. And, he is vice-chairman of the Jail Study Committee and a member of the Jail Standards Commission.

Fire reported

County Fire Chief Woody Wilson reports one fire call in the past week.

The call came in at about noon on Saturday, Sept. 18, from Lacy Jolly at Myers Station. A small outbuilding was a complete loss. There was also some smoke damage and broken windows on the nearby house.

Alcohol awareness

To increase understanding of alcoholism and drug dependency and promote their prevention, Gov. John Y. Brown Jr. has proclaimed September Alcohol and Drug Abuse Awareness Month.

The following poem has been forwarded to us from the Johnson-Mathers Nursing Home in Carlisle.

The poem was written by Ernestine "Tene" Eads.

Johnson Mathers Nursing Home
The Nicholas County Nursing Home
is really first rate,
To live in has really been great.
Just real people grouchy and snappy,
Next time everybody, smiling and happy.
Can't call everyone's name,
But, someday they will be in the Hall of Fame.
The nurses all come when we ring the bell,
Give us our medicine so we can get well.
The rooms are all kept neat and nice,
None of the helpers are for sale at any price.
None of the patients are dirty, you see,
Because they have been bathed to keep them as they should be.
Sunday — a day of rest,
To the chapel at one, we see our guest.
County wide preachers arrive on this day,
To tell us of One, the Truth and the Way.
Monday — we usually see a show.
Then on Tuesday — ready to play bingo,
Whether we lose or we win,
A new game we are anxious to begin.
Wednesday — we look for the Mercury news,
That night our preacher friends tell us the Good News.
Thursday — at one we hear the piano ring,
Know "Sing Along" time is here to sing.
We do have a fellowship together,
No matter on the outside, the kind of weather.
Then comes Friday and on that night,
A religious service which is a delight.
On Saturday, a day of ease,
We can do as we please.
Eat, drink, have company too,
No one really tells us what to do.
So many seem to show they care and prove it too.
Mr. Hester — so kind, with a smiling face,
Trying so hard to keep everything in place.
Thanks to each for all you do,
We count you all our good friends too.
We are all just really lucky,
For Johnson Mathers Nursing Home in Carlisle, Kentucky.

The effort is to call attention to wise uses of our natural resources and to call on all citizens of Nicholas County and Carlisle to join with interested sportsmen to insure wise use of our natural resources to benefit future generations.

"Programs supported and financed by sportsmen such as those in the Nicholas County Fish and Game Club have been responsible for the restoration of many species of American wildlife in healthy and abundant numbers," the proclamation states.

Friday is red, white and blue day. Students will wear anything with these colors. Friday at school there will be a pep rally and Friday night at 8:00 p.m. will be the Homecoming game, Nicholas versus Paris. Homecoming week will be climaxed by a dance following the game.
