Let's Head for the Library! National Library Week April 18 - 24 Carlisle is fortunate to have the Nicholas Co. Library to serve our students and community.

In Observation of Library Week there will be NO FINES ON OVERDUE BOOKS This week at the Nicholas Co. Library Hours: Mon. 10 a.m. - 6 p.m. Tues., Thurs., Fri. & Sat. 9 a.m. - 5 p.m.

The Library has Something for Everyone!

County-wide religious census will be conducted on April 17

The Nicholas County Ministerial Association and the churches of Carlisle are planning a county-wide Cooperative Religious Census on Sunday afternoon, April 17, to take place at 10 a.m. at the Nicholas County Courthouse. The census will cover the area outside the city limits, since a census of the city has already been completed.

The purpose of the census is simply to locate persons who are not involved in the life of any church in the county, so that the Christian community may more effectively care for the needs of all the people of Nicholas County.

The information to be requested is quite simple: Name, address, age and date of birth, Sunday school/church membership, if any, local church/Christianity preference, if any.

Persons participating in the census (participation is open to any interested person) will meet at noon at the Nicholas County Courthouse for a potluck lunch and a picnic. After lunch, materials will be distributed and leaves will go out in pairs to visit.

A report-back time will conclude a day's activities at 3:30 p.m. A nursery will be provided at the First Baptist Church during the visitation period.

If an additional day is necessary to complete the census, this will take place on May 8. After the census is completed, the results will be shared with each participating church.

1983-84 school calendar is set by school board

The Nicholas County School Board set the school calendar for the coming year at their regular meeting Monday, April 11, at the home of Mrs. Mary Ann Smith. The calendar was approved by a 7-0 vote.

The calendar provides for a 180-day school year, with a 15-day vacation period. The calendar also provides for a 15-day vacation period.

May is Historic Preservation Month

May is Historic Preservation Month in Kentucky and the Williams County, Tenn. area. This event, which by tradition is a stirring of memories to be held over a year to gather and to celebrate the buildings that have been saved and to thank the people who cared enough to do it. It is always a gratifying and an exciting day.
