Young Jackets maul Maysville

The Nicholas County eighth grade basketball team put together a masterful performance Monday night at Maysville to dispose of the Bluejackets. Maysville came into the contest with a sparkling 11 record but quickly fell prey to Nicholas County outburst that produced 20 first quarter points and a 12 point lead. Sparked by excellent shooting and outstanding defensive play the Jackets increased their advantage to 18 at the half and 29 after three quarters as they raised their record to 24.

The jackets open conference play tonight, Dec. 1, at Bourbon County. Their next home game is Monday, Dec. 5, when they will entertain Belmont. In the preliminary game the Nicholas County seventh graders were defeated 40-28 Maysville. The game opens in the third quarter after Nicholas had trailed by only three points at the half.
