Children write letters to Santa...

Dear Santa,
I am 5 years old and have been a good boy this year. Please come see me at my house in Winchester, Ky. I won't be at Pappaw's house this year for Christmas.
I would like a G.I. Joe set, all of the Star Wars you got and all the Ken dolls you got, a watch, a typewriter and anything else you want to bring me. I don't care.
Bring your elves with you please. I'll be laying on the couch; wake me up when you're here and bring your elves down the chimney with you. If the elves have big ears, don't bring them in cause they scare me. Tell me if you brought Rudolph with you, cause he is my favorite!
I like to feel your beard cause it is so soft. There'll be some oranges, apples, bananas, grapes and strawberries under the tree for you.
When you're finished giving all the toys to the kids, come spend the night with me.
I love all of you at the North Pole a whole bunches.
