Candidates discuss transportation

Speaking at the Annual Transportation Conference of Kentuckians for a Better Transportation (KBT), Kentucky gubernatorial candidate... said that approved that new funding is needed to more adequately deal with road and highway maintenance and reconstruction.

The challenge to the next governor and those concerned with transportation and the road fund, according to Gray Shumbo, "is a financial one... How do we get more money to make progress?"

He went on to say that "we have to look at greater alternatives." He said that he would like to see whether or not it would be "more efficient to have state engineers available to them to provide maintenance of our highways."
