

The octopus awaits Thrills, chills and screams are part of the fun of riding the octopus which is getting a final check before being put into operation on the courthouse yard. It is of many rides which

will run every night during the American Legion fund of riding the octopus which is getting a final check before being put into operation on the courthouse yard. It is of many rides which

Hearing at Lexington on Kentucky Aging Plan

The Department for Social Services will conduct a series of four public hearings this month to receive comments on the Kentucky Aging Plan document required by the federal government. The plan is for the year 1985. The plan is for the year 1985. The plan is for the year 1985.

Public hearings will be conducted July 19, 2 p.m., at Lexington Senior Citizens Center, Nicholasville, Wood Lexington. Written comments on the Aging Plan also are encouraged and will be accepted and reviewed until July 30, 1983.

July crop report

Wheat harvest in Kentucky is nearing completion and 1983 yields are down. Lower yields are especially noticeable in the Bluegrass section of the Kentucky crop. Reporting Service, production is estimated at 29.3 million bushels, an increase of 21 percent from last year and the smallest crop since 1938.

No darkly tinted windows in New York

If your car or truck has darkly tinted or reflective windows, don't plan to take it on a trip to New York. In 1983, New York passed a law prohibiting use of the dark tint or reflective materials in vehicle windows. Persons with a non-related disability can get an exemption to the law.
