Hearing Loss Is Not A Sign Of Old Age

Lexington, Ky. — A free offer of special interest to those who have trouble hearing has been announced by the American Hearing Aid Society. A list of the available models of its kind will be given absolutely free to anyone requesting it.

Send for this model, put it on your ear in the privacy of your own home. While many people with a hearing loss will receive any significant benefit from any hearing aid, this free model will show you how truly hearing help can be. It is not a trial hearing aid, and it's yours to keep. Free. The actual aid weighs less than a quarter of an ounce and is all at ear level, so use it.

These models are free, so you need not write for yours now. Again, we insist, there is no cost and certainly no obligation. Thousands have already benefited, so write today to Dept. 204, Baltimore Hearing Aid Service, 130 S. Park Circle, Lexington, Ky. 40502.

NOTICE
 I will not be responsible for any debts, other than my own, after this date.
