**FOUNDATION GIVING**  
 Tree flowering trees will be given to people who join the National Arbor Day Foundation during September 1983.

The free trees are part of the foundation's effort to promote tree planting throughout America.

To become a member of the foundation and to receive the free trees, a \$10 membership contribution should be sent to: Flowering Trees, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68601, by Sept. 30, 1983.

The foundation will give two white flowering, two American redwood, two European larch trees, two Washington lawlawn, and two flowering crab trees to members joining during Sept. 1983.

The 6 1/2 inch trees will be enclosed planting instructions.

These trees were selected because they will give a colorful flowering of pink, white and red blossoms throughout the spring, according to the foundation.

The National Arbor Day Foundation, a nonprofit organization, is working to improve the quality of life throughout the country by encouraging tree planting. The foundation will give the 10 trees to members contributing \$10 during September.
