NOTICE

The Nicholas County School District has recently prepared an application for the use of federal funds for the education of handicapped children in the Nicholas County School District. This application specifies that a free and appropriate public education will be provided to all handicapped children ages five through 17 who are residents of Nicholas County School District. P.L. 94-142 provides priorities for the expenditure of funds. First priority is given to those children who are not being given any educational services.

P.L. 94-142 also requires that the school district plan for the implementation of identification, location evaluation and appropriate educational placement of all handicapped children. Guaranteed procedural safeguards for handicapped children and their parents in decisions regarding educational programs and confidentiality of files of those children identified as being handicapped will continue to be instituted.

This application will be on file in the Office of the Superintendent of the Nicholas County Schools for a period of thirty (30) days beginning April 16, 1984 and ending April 30, 1984. Any interested persons may review copies of the application and make comments concerning the application to Donald G. Elder of the Nicholas County School District. Consideration will be given to all comments prior to the submission of the final copy of the application to the Department of Education. 4-13-1tp

UK MEDICAL PLAZA TO HONOR WARREN WRIGHT

The University of Kentucky Board of Trustees has approved the naming of the new University Medical Plaza in honor of the late Warren W. Wright of Lexington.

The university's Committee on Naming Buildings and the Medical Center chancellor had recommended to UK President Otis Singletary that the plaza be named in honor of Wright, former owner of Calumet Farm in Lexington, in recognition of his varied philanthropic interests and his support of the quality of life of the citizens of Kentucky.

SUMMER ENRICHMENT @MICROCOMPUTER CAMP TO BE HELD AT EKU

Eastern Kentucky University is now accepting nominations for its 1984 Summer Enrichment Program for gifted students and the Microcomputer Camp. Both programs are for students in grades 5-8 and will be offered June 17-30.

Enrollment in the enrichment program is limited to 130 students who possess superior academic ability. Students should be nominated by their teacher or guidance counselor.

The Microcomputer camp will be taught by Benny Hall, director of learning skills and EKU's College Warm-Up Program. This camp is limited to 30 students of above average ability.

Students will be housed in EKU residence halls and will be served meals daily in the cafeteria.

For more information, interested parents should contact their child's teacher or counselor, or write to Dr. Kelly Thompson, Combs 112, EKU, Richmond 40475.
