The Winning's Easy. Here's How:

1. Sign up weekly at IGA's payroll office. Weekly drawings will be held and then that week's entries will no longer be eligible.
2. The IGA weekly payroll is \$100.00.
3. A paycheck is written each Saturday to the customer whose name is drawn.
4. The Payroll Winner's name is posted in the store Saturday evening and kept up until Wednesday noon.
5. The winner must come in to claim his pay by

noon Wednesday following the previous Saturday drawing or he forfeits his pay.

6. Forfeited pay is added to the next week's pay. For example: If \$100 is forfeited, the next Saturday's drawing is for a \$200.00 payroll. The payroll will go to \$500.00 and then will hold at that level until there is a winner.

7. No purchase is necessary.

8. All prizes advertised will be given away to shoppers right here at Carlisle IGA.
